

## TRANSKRYPCJA NAGRAŃ

### Zadanie 1.

#### Rozmowa 1.

*Woman:* Excuse me, do you have this T-shirt in blue?

*Man:* Let me check. Yes, we do. Here you are.

*Woman:* Can I try this T-shirt on?

*Man:* Of course. The changing rooms are over there.

#### Rozmowa 2.

*Man:* That was a delicious meal.

*Woman:* Yes, absolutely. I loved it.

*Man:* How about a dessert?

*Woman:* Oh yeah, they have great apple pie here.

*Man:* So let's call the waitress.

#### Rozmowa 3.

*Woman:* Can you help me, Mike?

*Boy:* Yes, sure. What do you want me to do, Mum?

*Woman:* Please water the flowers and cut the grass.

*Boy:* OK.

*Woman:* And we can have a barbecue later in the afternoon.

*Boy:* Great!

#### Rozmowa 4.

*Woman:* What's the matter?

*Boy:* I think I've hurt my leg.

*Woman:* How did it happen?

*Boy:* I was running. I wanted to kick the ball and then I fell over. Ouch!

*Woman:* OK. Let me have a look at it.

#### Rozmowa 5.

*Girl:* I'm tired, Bob.

*Boy:* It's only half an hour to the top. But we can sit down over there and take a break.

*Girl:* Sounds good, I'll have a snack while we rest. Oh, look at that view!

*Boy:* Yeah, it's amazing up here, isn't it?

### Zadanie 2.

#### Tekst 1.

*Girl:* Last year I got a really nice present for my birthday. I hoped to get a new tennis racket or a collection of short stories by my favourite author. But my parents wanted to surprise me and gave me a new bike! I was truly happy!

**Tekst 2.**

- Boy:* What shall we start with? Geography, Maths or English?  
*Girl:* The Maths homework is the hardest. Let's wait for your brother to help us with it. What about writing the story for our English class first?  
*Boy:* That will take us an hour, and my brother will be back in 20 minutes. Let's do the Geography quiz instead. It won't take us more than 15 minutes.  
*Girl:* OK, let's start with that and then do the Maths.

**Tekst 3.**

- Man:* Have you finally booked your trip, Mary?  
*Woman:* Yes, I did it yesterday, but it wasn't easy. I normally book online, but my computer stopped working.  
*Man:* What did you do then?  
*Woman:* I tried to phone a local travel agency, but I had to wait so long on the line that I just gave up. I decided to go to their office in the centre. It took a lot of time, but it was worth it. There was a special offer that wasn't available online.  
*Man:* Good for you. I have to go now, but I will call you again tomorrow, OK?

**Tekst 4.**

*Girl:* I like going there with my little sister. She is crazy about that place because most of her kindergarten friends also go there. They run around, play in the sand, climb, and make a lot of noise. But I don't mind, I love seeing my sister happy and smiling. We always take fruit like apples and plums as a snack. Of course, on hot summer days it would be nice to play in the water, but my sister can't swim yet.

**Tekst 5.**

- Man:* Julie, we have to leave now.  
*Girl:* I'm ready, Dad, but I can't find my green scarf.  
*Man:* But you need it. It might be cold in the evening. Maybe you left it at your friend's house yesterday?  
*Girl:* Ah, yes, I did.  
*Man:* So we can get it on the way.  
*Girl:* Oh no, Sarah's away this weekend.  
*Man:* You know what? Why don't you take Mum's scarf instead?  
*Girl:* That's a good idea. I'll go and get it.
